

**BECOME A MEMBER OF THE HOG!  
SUPPORT YOUR PASSION - SUPPORT THE TRADITION -  
SUPPORT THE MUSICIANS**

The Wild Hog in the Woods is a membership organization, a not-for-profit based on cooperative principles. It needs members to support the organization with many fun and rewarding opportunities for you to be part of the folk music and arts community. You will experience cooperative principles at concerts and meetings.

The Wild Hog operates a 70's style coffeehouse with live folk music and other special events, workshops, dances from time to time or in cooperation with other organizations. Members play a big role in the Wild Hog, volunteering their time to host the coffeehouse and the other events, including promotion, booking performers, running sound, baking, newsletter, publicity, web site and much more. We welcome new members!

A good way of getting involved with the Coffeehouse is by volunteering some of your time. We always need help with running the Coffeehouse. Many jobs can be done on a flexible schedule. And if you volunteer at least five times a year, your membership is free.

Benefits to you, besides knowing that you support the music that you enjoy, include a monthly newsletter and reduced admission for Wild Hog events.
